REAL ESTATE MARKET

The F. B. Cate Agency was never so well prepared to offer such bargains in Farms as at the present time. Below is a list of a few of our best ones. This one has about 150 acres and is only 14 miles from this city. The farm will cut between 80 and 90 tons of hay this season, can be put into the barns with little expense. There is a nice sugar place equipped with 700 tin tubs and every thing of the best for making nice sugar. The buildings are of the latest city improvements, such as hard wood finish, fire place, bath room, hot water connections, telephone, etc. The main part of the house is brick. The barns are large and convenient. The buildings could not be erected at the present time for nearly the price asked for the farm which is \$6,500. You have to take this quick if you want this year's hay crop.

This farm has recently been placed with us for sale. 300 acres right in the heart of a thriving village on the shore of a large body of water where there are a large number of summer cottages. Depot is just across the road from the buildings. The farm will summer and winter about 100 cows and teams to carry on the place. There is one large barn built about 5 years ago at a cost of \$3,200; there are other barns in good repair, also a nice new house. There has been \$10,000 paid out on buildings and improving the farm. The owner is in very poor health and unable to care for so large a place and must sell. Price for a quick sale is only \$7,500, part cash.

Two farms in Bradford, Vt., 2 miles from the village. One contains 130 acres and cuts 60 tons of hay, with good buildings, barn 100 feet in length. The other farm contains 55 acres and will cut 40 tons of hay, large barn and fair house. Will sell separate or will trade for good renting property in city.

We have cheaper farms well located, some we will trade for other property. Please call at our office for a more definite description of the above farms and others.

We have a Granite Plant for a gang of men that we would like to tell you about. Our office is open evenings. Telephone connection.

Bar on Reversing in Walizes. The New York Herald publishes the following from its London correspondent:

Among the "Mon'tis" which Americans mixing in London society must be particularly careful to remember is that which prescribes reversing. "Don't reverse when waiting" is the eleventh commandment in London. A story is going the rounds of a man, and a well known man, too, who was noticed to be reversing at a recent state ball at Buckingham palace. He was noticed by one of the officials and requested to leave immediately, although it is said he was reversing only to avoid a collision. Despite the prejudice in London against reversing it is thought that in this particular instance the punishment was a little too heavy for the crime.
